

Our Vision and Values

Our Vision

Together we strive to create the goal of improving individual and community health through discovery, clinical and translational science and technology, exceptional education and patient-centered, innovative, high-quality health care.

Our Values

At Surfers Health Medical Centre, our core values are centered around our commitment to our patients and our role in the communities:

- Patients First – Patients are the heart of everything we do
- Everyone Counts – We work safely and inclusively and respect each other
- Embrace Change – Strive for excellence, have the courage to innovate

At the heart of our mission is to provide high-quality clinical care and to promise every patient their best experience possible at Surfers Health Medical Centre. Everything we do serves to move us along the path of improving health and well-being for our patients, their families and our communities.
